**Re: Ethics approval – Dr Shakti Lamba**

To Whom it may concern,

The following project received ethical approval by the University of Exeter, College of Life & Environmental Sciences (Penryn) Ethics Committee on 12/12/14:

Application number: 2015/915 (rev2)

Title: The effects of demography and migration on cooperation and competition: a large-scale field study (building wells)

Investigators: Shakti Lamba+ PhD students, postdocs and research assistants hired to work on project

Yours sincerely,

Dr Nick J. Royle  
Chair of the University of Exeter CLES Penryn Ethics Committee
